

High School and 18-21+ Program:

Foundations Central is a collaboration between MMSD and the Workforce Development Department of the Urban League of Greater Madison. Foundations Central serves students identified with special education needs who have dropped out or stopped attending school for a variety of reasons and are between the ages of 18-21. Students' complete their high school education via IEP portfolio or by earning 22 credits needed for completion. Instructional support is provided by certified MMSD cross categorical teachers.
